## **1. OHIO LAW ENFORCEMENT GATEWAY (OHLEG) ENHANCEMENTS**

Important new enhancements have been made to the Ohio Law Enforcement Gateway (OHLEG) that will streamline the process for distributing information on missing children in Ohio, as well as increasing the audience that receives notification.

The enhancements put into place include:

- LEADS Integration – All reports of missing children in LEADS will automatically populate OHLEG in real time.
- eSORN Mapping – Enhancement to the mapping function of the Ohio Sex Offender Registration and Notification website allows law enforcement agencies to map registered sex offenders within a one-mile radius of the last known location of a missing/abducted child.
- Truckers' Advisories - OHLEG can now issue trucker advisories to trucking companies throughout Ohio for endangered missing children.
- Enhanced Media Advisories – Ability to send media advisories within Ohio to a particular region or statewide.
- Missing Child Posters – In addition to the existing program for creating missing posters, an officer can upload them to the Attorney General's website ([www.ag.state.oh.us](http://www.ag.state.oh.us)).
- Online Training – Personnel can be trained to use these services by utilizing the Ohio Peace Officer Training Academy's online classroom. While not mandatory, it is recommended officers complete this training prior to taking advantage of these enhancements.

Officers requiring access to OHLEG should contact the Personal Crimes Unit, 352-6474, for further instructions.

## **2. COURT HOLIDAY – LABOR DAY**

On Monday, September 5, 2005, the Hamilton County Municipal Court will observe the Labor Day Holiday. Courtroom A will be open in the morning only. All other courtrooms will be closed. Officers are reminded not to issue citations requiring a court appearance on this date.

Dear Colonel Thomas H. Streicher, Jr.:

I am writing to offer my commendation and thanks for the quality and genuine caring demonstrated by Lt. Joe Williams and the officers of the Youth Services Division of the Cincinnati Police Department. Please find enclosed a few pictures from the camps as well as a list of the officers who participated.

I am thrilled to let you know of the success of the recent collaborations between the Cincinnati Police Department and Girl Scouts – Great Rivers Council. Two separate sessions of the "Get Your Game On" summer camp were implemented this season, both with great results.

The June session of "Get Your Game On" served 75 girls from the Millvale, North Fairmount and Fay Apartments areas of Cincinnati. Girl Scout staff worked with officers from the Youth Services section of the Cincinnati Police Department. Your officers taught our Girl Scouts about the out-of-doors and the girls loved every minute of it. When the girls went fishing your officers commented on how surprised they were that the girls took to it so well. The girls also enjoyed developing new friendships and a field trip to the Newport Aquarium. I think what the girls will remember most about the week are the officers who took part. They were such incredible role models for these young girls – showing them that the law enforcement community really does care about them.

The July session featured officers from Bond Hill., Avondale and Roselawn working with girls from those same neighborhoods. After witnessing the success of the June session and hearing about problems in these neighborhoods, Girl Scout staff and local officers decided it was time to step in and make a difference. Volunteers from Cincinnati City Hall also gave their time to this project. 120 girls were served during this session. During this time not only did the girls have fun, but they began to trust the officers and gain positive role models that may have been missing in their lives prior to this opportunity.

We want to take this opportunity to thank you for helping to make the Cincinnati Police Department and Girl Scouts – Great Rivers Council collaboration happen. We look forward to working with you in the future to serve more girls in our communities as we help them grow up to be caring, competent, confident women.

Sincerely,

Barbara J. Bonifas  
Chief Executive Officer
